**2**

Select 'Responsible Gaming' towards the bottom of the list.

**3**

Click the black box at the top to expand the menu.

**4**

Scroll to see all our limits/cooldown and exclusion options.

## HOW THE LIMITS/RESOURCES WORK

### Time Limits

- This limit type restricts the amount of time you can spend. The timer starts when you log in and ends when you log out.
- Once the limit is reached, you will not be permitted to place another wager until the limit resets at midnight.
- Setting or decreasing your current time limit will take effect immediately.
- Requests to remove or increase a time limit will not go into effect until the next calendar day at midnight.

### Spending Limits

- This limit type is based off your net loss during the provided time frames.
- How to calculate net loss:  $Bets - Wins = Net\ Loss$ .
- Once the limit is reached, you will not be permitted to place another wager until the limit resets.
- Setting or decreasing your current spending limit will take effect immediately.
- Requests to remove or increase a spending limit will not go into effect until the time period has elapsed.
  - Daily will adjust/reset at midnight
  - Weekly will adjust/reset Sunday at midnight
  - Monthly will adjust/reset on the 1st of the new month at midnight

### Deposit Limits

- This limit type is based off your deposits during the provided time frames.
- Once the limit is reached, you will not be permitted to place another deposit until the limit rests.
- Setting or decreasing your current deposit limit will take effect immediately.
- Requests to remove or increase a deposit limit will not go into effect until the time period has elapsed.
  - Daily will adjust/reset at midnight
  - Weekly will adjust/reset on Sunday at midnight
  - Monthly will adjust/reset on the 1st of the new month at midnight

### Self-Suspension

- This limit allows you to set a self-imposed timeout on your account.
- Once this timeout is applied, it cannot be removed until the end of the requested time period.
- Players can set a Self-Suspension for anywhere between 3 days and 30 days (please check local jurisdictions for specific suspension limits).
- Players will still be able to log in, navigate the site, and withdraw. They will not be able to deposit or wager.
